SUBJECT: BLUE LANTERN LEVEL 2: PRE-LICENSE END-USE CHECK
ON LICENSE 050191885

¶1. This is an Action Request. See paragraph 4.

¶2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Post's assistance in conducting a pre-license check on license 050191885 for the export of pistols to Burkina Faso. Post is requested to complete this Blue Lantern check within 30 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

¶3. Reason for Request: The end-user has never been party to an export license nor has it ever been subject to a Blue Lantern check. Also, the Economic Community of West African States (ECOWAS) is under a moratorium on the importation, exportation, and manufacture of firearms. This import falls under an ECOWAS exemption. This request is for Post to establish the bona fides of this transaction and end-user.

¶4. Action Request: Post is requested to establish the bona fides of this transaction and end-user Etaf Armabel by making inquiries to representatives of the company and appropriate authorities of the Government of Burkina Faso. The following points are included for guidance:

(To Etaf Armabel)

--When was your company established and who are its principals?

--What products and services does your company provide? Who are your regular customers and where do they reside?

--What are your annual sales of U.S.-origin firearms?

--How many firearms have you imported under ECOWAS Exemption No. 006/09 issued on 26 March 2009?

--For what will these firearms be used in Burkina Faso?

--Do you sell firearms to customers that reside outside Burkina Faso?

--Are you familiar with the regulations governing the import of U.S.-origin defense articles, including restrictions on re-transfer or re-export?

(To Appropriate Import/Export and/or Law Enforcement Authorities)

--Is Etaf Armabel properly authorized to import and sell defense articles in Burkina Faso?

--Can you confirm this import authorization as authentic?

--Does this import by Etaf Armabel fall under ECOWAS Exemption No. 006/09 issued on 26 March 2009? How many firearms have been imported under this exemption to date?

--Do you have any information on Etaf Armabel that would question their reliability as a recipient of U.S. defense articles?

In its reply, Post may also comment on any other information pertinent to these transactions such as security of facilities, end-use, and concerns about the entities involved.
